Orfanoudakis room

**Karen J
Huebscher**

PhD, MBA, Board
Member and Vice
Chair, Sandoz,
Switzerland

Karen J. Huebscher is currently the Vice Chairwoman of **Sandoz**, the largest generics company globally, and of **Tecan**, a life sciences (diagnostics and medical devices) instrument and tools development company in Switzerland. She is a member of the Board of Directors of **BBI Solutions**, a diagnostics reagents company based in Crumlin, Wales (UK), owned by Novo Holdings and of the family-owned oral health company Ivoclar in Liechtenstein. She is also on the Foundation **Board of Directors of IMD**, her alma mater for her MBA, a top-10 ranked business school. Prior to this, Karen was CEO of Solvias from 2014 to 2021. She also had a long career with **Novartis** spanning research, finance, mergers & acquisitions, as well as general management roles as a member of a divisional executive committee. She founded a medical device and consulting company after leaving Novartis in 2012.
